

Your wardrobe should fit your personality, physical features, lifestyle and budget. Describe how this garment fits into your wardrobe plan.

What I learned by doing this exhibit:

Remove hang tags, but do not cut cloth labels out of the garments.

Copy these two pages front to back and fold in half to form a booklet.

This Selected Outfit Clothing Entry Form must accompany this exhibit.

This information on the exhibit entry form does NOT need to be filed out. This form replaces the general entry form.
